

SASW7

BRAVIA Theater Sub 7 Wireless Subwoofer for Quad/Bar 9/Bar 8/Bar 7/HT-A7000/HT-A5000/HT-A3000

Step up to stronger bass. Sony BRAVIA Theater Sub 7 delivers deep, controlled bass you can feel in a slim design that fits vertically or horizontally, blending seamlessly into your space while elevating your home theater sound.

Bullets

- Separated Notch Edge design delivers deeper, clearer, and more controlled bass.
- Connect two Sub 7 units for stronger, more balanced room-filling bass.¹
- Expand your BRAVIA Theater setup with the Sub 7, compatible with Quad, Bar 9, Bar 8, Bar 7, HT-A7000, HT-A5000, and HT-A3000.
- Dual orientation design allows vertical or horizontal placement to fit your room.
- Integrated hidden cable management for a seamless, refined design.
- Use BRAVIA Connect app to easily set up, control, and update your subwoofer.²
- Control bass settings and adjust volume with your BRAVIA TV remote.³

Features

Deep bass

Separated Notch Edge improves vertical amplitude symmetry, enabling more controlled diaphragm movement for deeper, clearer bass.

Room-filling Bass. Dual subwoofer playback.

Connect two compatible subwoofers for a stronger, more balanced low end. The increased sound pressure fills the room with deep bass that's powerful, stable, and unmistakably cinematic.¹

Two ways to position

The dual orientation subwoofer allows flexible vertical or horizontal placement, blending seamlessly into your room for a sleek, cohesive look.

Seamless, Refined Design

The BRAVIA Theater lineup blends elegance with function, offering a sophisticated, clutter-free look with hidden cable management. Its refined design ensures your sound system fits seamlessly into your home from every angle.

Do it all with BRAVIA Connect app

Easily control BRAVIA Theater from your smartphone. The BRAVIA Connect app guides you through initial setup and lets you adjust volume, sound field and more.²

Effortless Control with BRAVIA TV

Control bass easily with your BRAVIA TV remote. Sound settings automatically appear on the BRAVIA Quick Settings menu for easy access.

Environment Effort

Sony's home audio products are designed not only for excellent sound experiences but also with the environment in mind. We are committed to using less virgin plastic in our packaging and recycled materials in our products. Approximately 80% of the packaging is made from recycled paper and paper-based materials to minimize the use of virgin plastic. Approximately 87% of the fabric used on the speakers is made from recycled cloth.⁴

Accessibility Effort

To help visually impaired users set up the soundbar, tactile dots indicate a QR5 code for the web help guide, offering screen reading support.
